

## How to find us

HES – Heat Exchanger Systems GmbH

You travel on the highway A5 towards Basel. Before you leaving Germany towards Switzerland you leave the highway A5 at interchange „Weil am Rhein“. Now you travel on the highway A98 towards Lörrach, Rheinfelden.

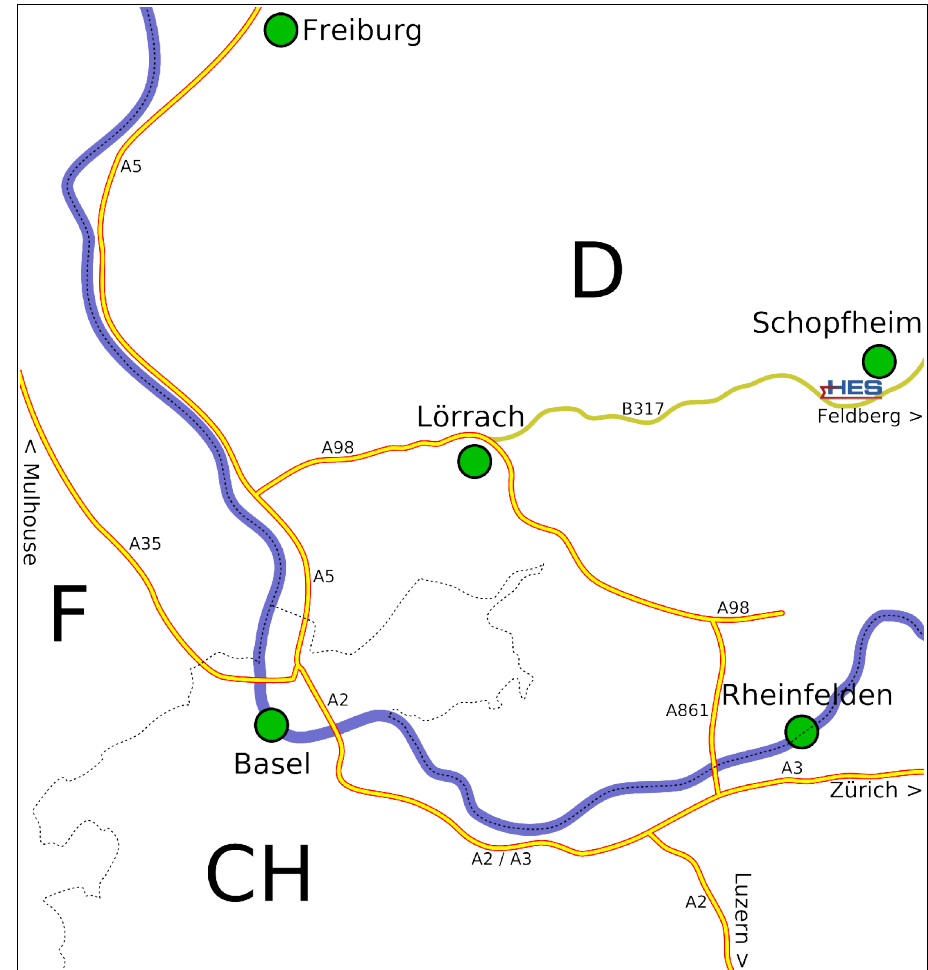

You leave the highway A98 at the exit „Lörrach – Mitte“ (number 5) Then you take the middle line to turn left. You will see the signs direction Schopfheim. Now you are driving on national highway B 317.

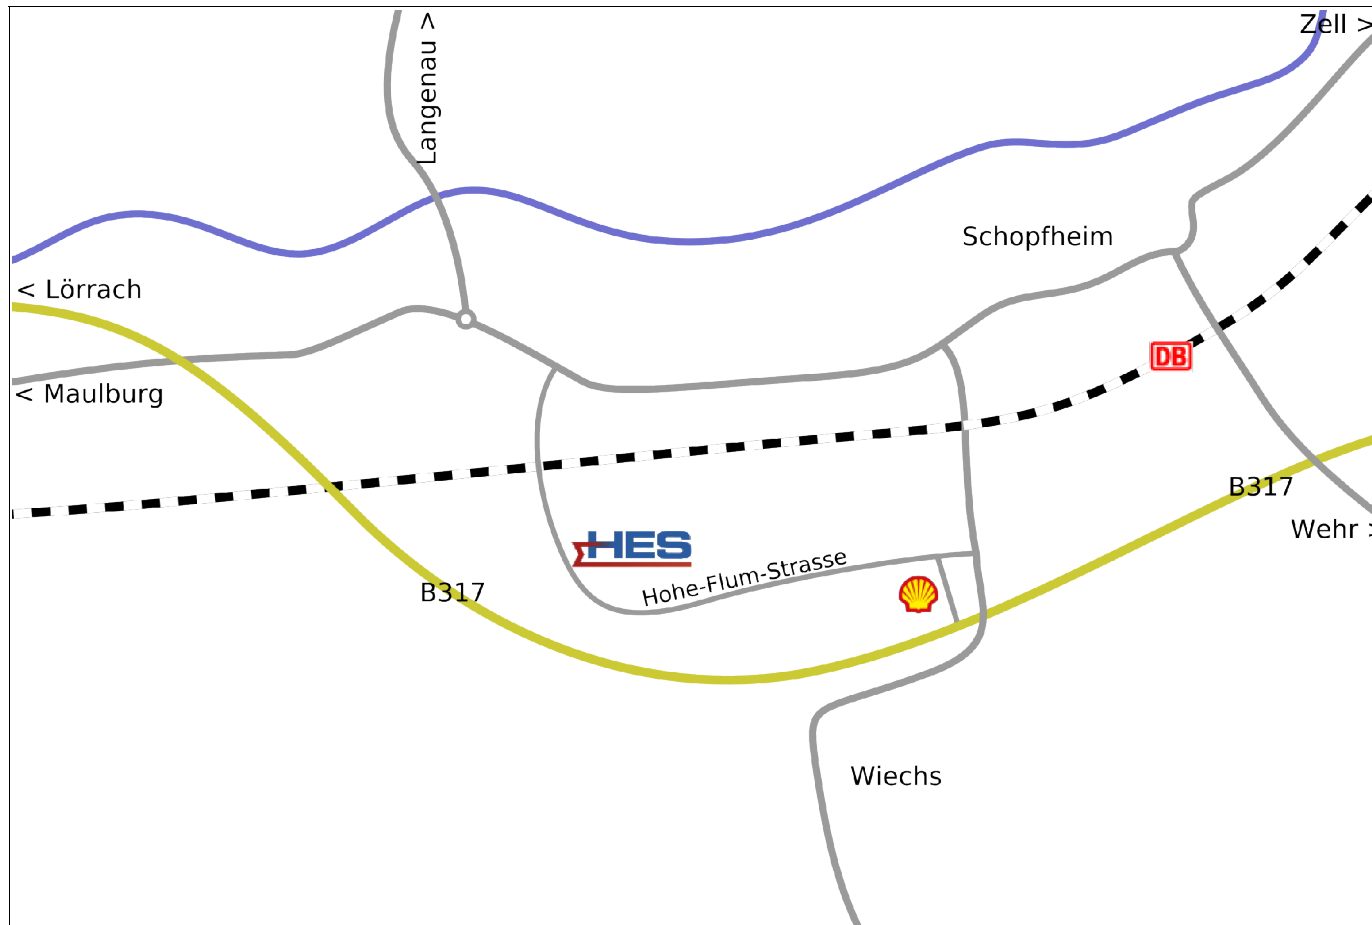

You will drive through Steinen/Höllstein, which you will reach after approx. 8 km. After you are leaving Steinen/Höllstein, you will see on a little river called „Wiese“ on left site. On right site a small town called Maulburg is following.

After approx. 500 m you will see the exit „Rheinfelden, Schopfheim-West“. Here you are driving straight ahead. After further 500 m you will see the exit Schopfheim-Mitte, Gewerbegebiet LUS. Now you leave the national highway B 317. (left side: Shell-fuel station). Please turn left and next crossing left again.

Now you should be in “Gewerbegebiet LUS” (*Hohe-Flum-Straße*), please drive straight on and you will see Ekato on the right side. Next company on the right side is HES.

Have a pleasant and safe travel.
